

Programme – Morning session

„Overview of international PV markets and new technologies“

Chairperson: Dr. Winfried Hoffmann, Applied Materials GmbH & Co. KG

Konzerthaus: Round Conference Hall

09:00	Registration
09:45	Opening and welcome address Prof. Dr. Eike Weber, Director, Fraunhofer Institute for Solar Energy Systems (FhG ISE), Germany
10:00	Development of the Top 10 solar PV markets by 2010 Ms. Paula Mints, Director, Navigant Consulting, USA
10:30	Crystalline silicon cell & module technology Dr. Ingo Schwirtlich, Vice President Global R & D, Schott Solar GmbH, Germany
11:00	Technology overview: Thin film Dr. Michael Powalla, Zentrum für Sonnenenergie- und Wasserstoff-Forschung (ZSW), Germany
11:30	Technology overview: Concentrator technology Dr. Andreas Bett, Head of Group III-V cells, Fraunhofer Institute for Solar Energy Systems (FhG ISE), Germany

12:00 until 13:30 : Lunch break

Programme – Parallel sessions

"Thin film and concentrator technologies"

Chairperson: Dr. Michael Powalla, ZSW / Dr. Andreas Bett, FhG ISE

Konzerthaus: Round Conference Hall

CIS technology outlook Mr. Lars Stolt, CEO, Solibro AB, Sweden
Status of thin-film Si technology Mr. Peter Lechner, Director Development Thin Film, Schott Solar GmbH, Germany
Cd Te technology outlook Mr. Stefan Hansen, Managing Director, First Solar GmbH, Germany
The first high efficiency thin film silicon PV module Mr. Hiromu Takatsuka, Production Manager Modules Mitsubishi Heavy Industries, Japan

"Productive applications in rural electrification"

Chairperson: Mr. Rafael Wiese, PSE GmbH

Konzerthaus: Conference Room 5

13:30	Off-grid PV application for rural development Mr. Chayun Budiono, Director, SunTechnics Energy Systems Pte.Ltd., Singapore
14:00	Next rural electrification - intelligent PV-hybrid grids Dr. Matthias Vetter, Head of Group Remote Power Supply, Fraunhofer Institute for Solar Energy Systems (FhG ISE), Germany
14:30	Load management for village power supply: field experience Mr. Xavier Vallve, Project Director, Trama TecnoAmbiental (TTA), Spain
15:00	Village electrification in China: BOT with local partners Dr. Martin Gorn, Director Export Sales, Schott Solar GmbH, Germany

15:30 until 16:00 : Coffee & tea break

Analysis of field experience of high concentration PV systems Dr. Alexander Slade, Vice President of Technology, Amonix, USA
Experience in concentrator technology Mr. Dave Holland, Solarsystems, Australia
Chairperson's closing remarks

16:00	PV-powered communication centers in Gambia Mr. Omar Njie, Managing Director, NICE Ltd., Gambia
16:30	What is needed to make a project profitable in Africa Mr. Jon Adams, Managing Partner, solar 23 cc, South Africa
17:00	Chairperson's closing remarks

PV Industry Forum – Profile

Wednesday, June 20th, 2007, Freiburg im Breisgau, Germany

The PV Industry Forum 2007 will take place on June 20th, one day before the international trade fair Intersolar 2007 opens its gates.

At the PV Industry Forum high-ranking speakers from international PV industry and R&D institutes will present the latest news about materials, technologies and dissemination strategies.

The focus of the PV Industry Forum 2007 will be:

- **Overview of international PV markets and new technologies**
- **Thin film and concentrator technologies**
- **Productive applications in rural electrification**

The PV Industry Forum is designed for experts and decision-makers from the manufacturer, supply and retail sectors, as well as industry associations and financing organisations. Around 250 participants are expected to attend this high level event.

Venue

Konzerthaus, Konrad-Adenauer-Platz 1
79098 Freiburg im Breisgau, Germany
www.konzerthaus.freiburg.de

PV Industry Forum at a glance

Target group:

Decision-makers in the photovoltaics industry, manufacturers, suppliers, retailers, associations, investment banks.

Language

English

Participants:

max. 300

Participation fee:

220 € Early Bird until May 8th 2007

280 € for registration before June 9th 2007

320 € at the door

Includes: lunch, refreshments, entrance to Intersolar 2007 and trade fair catalogue.

Registration:

To participate in the 3rd PV Industry Forum 2007, please register via Internet:
